- \* *Knowing or Awareness*

- \* *Owning your position*

- \* *Helping the crew* – “You are the game, but you are just not the actual game. You are in the game of our goal. You make the actual game by working the game together instead as an individual.”

Delaney Reese age 9

- \* *Zoom-Focus*

## From Training Camp by Jon Gordon

Zoom-focus means that you are not just working hard, but working hard on the right things. It means you must identify the key 'little ordinary things' that are fundamental to your success, and then you must focus on them, practice them, and strive to execute them to perfection. The best zoom-focus, and this is the fifth trait of what the best do better than everyone else."
